Welcome

At **Kool Kids Krayola Academy** we understand that choosing the right setting for the care of your child is a huge decision and one that you must get right from the start. This parent pack contains some important information we wanted to share with you about our different programs and the learning opportunities we offer here at **Kool Kids Krayola Academy!**

We have considered everything in order to create a high-quality setting for your child.

At Kool Kids Krayola we offer;

- Highly experienced management team
- Qualified staff and continuous training
- Safe, secure and clean facilities
- Working in partnership with parents
- Child-led learning and play environment
- Opening hours from 6:00am - 6:30pm
- Great location

Goals & Values

- To offer the highest quality care to children from 6 weeks to 12 years.
- To provide a safe, stimulating and clean environment for all children.
- To provide affordable childcare at times that suit the parent/guardian.
- To help children learn through play.
- To identify and respond appropriately to each child's individual needs.
- To provide opportunities for children to explore and develop.
- To build relationships with parents to ensure the child's routine is adhered to.
- To support parents with their role as the child's first educator, through mutual respect and understanding.
- To encourage each child to be creative and imaginative.
- To ensure staff always deliver the highest quality of care and are kept up to date with the latest training techniques.

About Us

At Kool Kids Krayola Academy, we always put children first - always.

We believe that a childcare setting should be an extension of each child's family. A safe and supportive environment where parents and our child care staff work together to give your child the loving environment they need to grow.

Since our start in 2019, we have worked incredibly hard to create the best possible childcare service in Houston. Our team is working continuously to improve our facility and ensure that we are always following the latest and **most up-to-date industry practices**. We offer a wide range of facilities including **2 different playgrounds** for different age groups, we have a wide variety of games and activities such as a **basketball area, a hockey table**, and an array of **activities for every child**.

We believe that children must experience their learning in meaningful and lasting ways to really prepare them for the future. Children need to **hear, touch, taste, and see** what they are learning to **fully understand the world** that is around them. We believe in teaching the **whole child** with a range of meaningful experiences that are reflected in their school, home, and community environments. Our curriculum provides them with **meaningful academic experiences** that are developmentally appropriate for infants through our prekindergarten program. Our teachers also provide a **wide range of extracurricular programs** and activities, these provide a fundamental base for self-help and problem-solving skills in their daily routines while building their **independence and curiosity**. Our highly qualified staff provides a **home away from home environment** that is welcoming, friendly, and safe so that children thrive in the classroom and are always motivated to learn.

Unlike the other childcare providers in Tower Oaks, here at Kool Kids Krayola Acadent, we provide a **wide range of extracurricular activities**. We have a brilliant before and after-school program for children aged between 6 to 12 years old where we offer a range of activities. For all our children we offer a **homework-helping club**, a book and reading area, as well as interactive technology learning. For those in school, we provide a **unique service** offering **transportation** between our center and local elementary schools.

Programs at Kool Kids Krayola Academy

When you visit us here at The Kool Kids Krayola Academy, you'll see firsthand what makes us different! We have a range of different programs offered to all of our little ones depending on their age and their learning development.

These include the following:

Infant Program (Ages 6 weeks - 17 months)

Infants are constantly growing, learning, and changing. Our teachers delight in your baby's every advancement and discovery. From rocking and thoughtful interaction, to story time, and naptime, to singing and talking. Our highly qualified teachers provide just what your baby needs, all in a safe, clean, and healthy environment.

Pre-Toddler Program (Ages 18 months - 23 months)

Our pre-toddler program offers your little one a variety of opportunities to explore their world through play. Their days are filled with music, art, dance, story times, and more.

Toddler program (Ages 2 years)

Although it may seem like fun and games to preschoolers, the curriculum we follow is packed with educational elements. Games abound that teach pre-reading skills like phonemic awareness and letters and sound recognition; basic math concepts; and hands-on science exploration.

Preschool (Ages 3 - 5 years)

Mirroring Texas state curriculum standards, our pre-kindergarten program places a strong emphasis on developing foundational skills in reading, early writing, and basic math. The curriculum extends beyond these core subjects to encompass a comprehensive educational experience, including pre-kindergarten reading initiatives, science exploration, social studies, art, music, and physical education, providing a well-rounded and enriching learning environment.

Learning + Development

Children's joy and happiness are a big part of their learning. At Kool Kids Krayola Academy, we encourage them to have fun as a part of their education, with child-led activities which are adapted to their abilities and interests. Learning is led through your child's spontaneous play and is focused on integrating meaningful learning with engaging activities.

Our program not only provides a comprehensive academic curriculum addressing early literacy and math skills, but it also utilizes Experience - a meticulously crafted thematic preschool curriculum.

This curriculum not only focuses on academic aspects but also nurtures the whole child, fostering social, emotional, and intellectual growth. It extends beyond traditional subjects to include social studies and science, ensuring a holistic educational experience.

The engaging themes employed in the curriculum enable children to play, explore, and learn about various concepts, contributing to the development of well-rounded individuals in their formative years.

Assessments

We believe learning is a process. The Experience Curriculum uses an Authentic Assessment that allows you to easily view and record your child's learning as it happens. The Experience Learning Assessment System includes resources to help document your child's learning progress through natural and intentional observations.

Through this curriculum, we can observe and record your child's learning progress using a variety of amazing tools that keep your child engaged and widen their learning through a wide range of activities.

- Monthly Assessment Planning Toolkit
- Daily Star Assessment Activity with Demonstration Videos
- Developmental Skill Continuum
- Weekly Activity Skills Chart

Our Relationship with You

At Kool Kids Krayola Academy, we believe that the relationship between the daycare and parents is absolutely key. We work with parents to create an environment that will support children and provide a home away from home feeling.

We use a key person system in the daycare. The key person takes responsibility for the care for a small number of children allocated to them. They only work with children of the same age, abilities, and needs to ensure they can spend their time doing activities appropriate for their level of development.

Your key person will then feedback information to you on your child's day and progression through their time in the daycare.

Parents Testimonial

My kids love going
and they have
wonderful stuff there.
100% recommend

Parents Testimonial

My son loves this daycare, & the
staff are doing an amazing job
helping him learn new words

Staff Responsibilities

Our team know that their number one priority is to ensure your child feels safe, secure and supported. We take pride in ensuring we treat each child as an individual and help them to develop at their own pace.

We also have staff assigned with specific responsibilities for behaviour, child protection, equality & diversity and special needs.

Our Guarantees to You

- ✓ Your child will be safe, secure and loved by all of our team
- ✓ Your child's best interests will always be our top priority.
- ✓ We will work with you for as long as needed to ensure your child is fully settled into the early learning center
- ✓ Your child will be surrounded by the best quality toys, equipment, and resources which are age and stage appropriate
- ✓ They will be treated as an individual
- ✓ Your opinions and values will always be listened to
- ✓ Your child's best interests will always be our top priority.
- ✓ Your child's progress will always be documented.
- ✓ Our staff will always be friendly and prepared to go the extra mile.
- ✓ Food will be nutritious, plant-based, and cooked fresh on-site
